Re: **Notice of Ex Parte—Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92; Implementation of the Local Competition Provisions in the Telecommunications Act of 1996, CC Docket No. 96-98; and Intercarrier Compensation for ISP-Bound Traffic, CC Docket No. 99-68**

Dear Ms. Dortch:

On behalf of SBC Communications, Inc. (SBC), Gary Phillips, and I, the undersigned, met with Christopher Libertelli and Aaron Goldberger of Chairman Powell's office on September 24, 2004. At the meeting we discussed intercarrier compensation for ISP-bound traffic. The positions discussed were consistent with those stated in SBC's *ex parte* letter filed on September 13, 2004 and the joint ICF *ex parte* letter filed on the same date. In addition, we discussed SBC's position that the Commission should continue to maintain an interim regime that is consistent with a transition towards bill and keep while it considers broader intercarrier compensation reform.

Pursuant to section 1.1206(b)(2) of the Commission's Rules, this letter being filed electronically with the Commission.

Sincerely,

/s/Eric Einhorn
